Commonly referred to as ENT physicians, members of AAO-HNS treat such common medical disorders as chronic ear infection, sinusitis, snoring and sleep apnea, hearing loss, allergies and hay fever, nosebleeds, hoarseness, dizziness, to facial plastic and reconstructive surgery, swallowing disorders and head and neck cancer.

AAO-HNS is the world's largest member organization of otolaryngologists – physicians who diagnose, treat, and perform surgery for the ears, nose, throat and related structures of the head and neck.

Representing more than 12,000 otolaryngologists, AAO-HNS is a global leader in advancing the art, science and ethical practice of the profession. Members are unique in that they are trained in both medicine and surgery. Because otolaryngology is the oldest medical specialty in the United States, AAO-HNS enjoys a rich history and attracts a prestigious membership base.

Through its publications, professional development opportunities, annual conference, public outreach and other communications, AAO-HNS promotes continual engagement among its members. **With one quick call, MGILists can help you reach this esteemed, highly specialized medical audience.** Contact us today.
