

American School Board Journal

37,768 US-Subscribers \$115/M
216 Non-US Subscribers

American School Board Journal, published monthly by the National School Boards Association, focuses on the key decision makers and influencers from public school districts. It chronicles the challenges of today's K-12 public schools and is the authority on school leadership, governance, management, policy making and student achievement. School leaders rely on American School Board Journal to keep them up-to-date on the latest information to help them perform their jobs more efficiently and effectively.

The subscriber list is 100% paid. It includes school board district leaders, superintendents and other key district staff that wields power and influence purchasing authority in their districts.

Our subscribers represent 4,688 school districts across the country that include 67% of K-12 public school enrollment and are projected to spend \$311 billion dollars annually.

The list rental file is comprised of paid subscribers and prospects.
