Museum Store Association is a nonprofit, international association organized to advance the success of cultural commerce and of the professionals engaged in it. Founded in 1955, MSA encourages high standards of professional competence and conduct, and helps museum store managers better serve their institutions and the public.

The MSA community includes non-profit and for-profit cultural commerce businesses operating in non-profit institutions with permanent collections such as art, science or history museums; organizations that wholesale products or services to cultural commerce retailers; manufacturers of museum-quality products and related services; and non-profit businesses whose goals are aligned with the cultural and educational goals of cultural institutions.

MSA publishes the very popular *Cultural Traveler* guidebook for the tourism community, as well as industry reports helpful for retailers.
